

Make a simple Bunkr on a music related topic of your choice. Each presentation must include your question and enough information to fully answer it, at least 4 images, 1 video clip or Google map, and a final slide with at least 6 citations.

Schedule

Day 1: Intro, brainstorming, and selection of topics.

Days 2 & 3: Research and construct Bunkr's

Day 4: Presentation to class

Possible Music Research Topics

- How does a musician break into the industry and become a professional?
- How does music affect physical health?
- How does music affect mental health?
- How does music affect fashion?
- How does music affect advertising?
- What has impacted music more: classical music or rock and roll?
- Why are there so many tribute bands?
- How is music used during war time?
- Explain the differences between music and poetry.

- Trace the evolution of rap and how it affects culture.
- Who are the most influential musicians of this era? Why?
- Who is the **single** most inspiring pop music writer, singer, composer or director of your time and why do you feel so
- The history of a particular genre (rap, jazz, heavy metal, rock, hip-hop, punk, country etc.)
It could be your favorite!
- What is your favorite musical and why?
- Statistics on what was most popular in different years, or eras, etc.
- Report on a concert you have attended including the setting, the setlist, the stage show, the vendors etc.
